THE MORONIC WOMAN

The chauvinism of De Bartolo and Drucker shone through clearly. They took the only decent female hero on television and turned her into a bionic Playboy bunny! The plot-line about the dictator wanting to kidnap "The Moronic Woman" so that he could make out with a super-woman (as a change of pace, y'understand) is a debasing of woman's true role on earth. Jaime Sommers has a much higher moral standard than just pleasing men, bionics or no bionics! Besides, the show is broadcast during the Family Hour. I thought I was going to read a fine satire. What I got was a crock.

R. Outlaw
Starkville, Miss.

I think Mort Drucker and Dick De Bartolo blew their brain fuses and disconnected their talent charges and so created "The Moronic Woman"! I'm fused to your mag forever.

Margo Berman
Livingston, N.J.

"Moronic Woman" came on strong. I got a charge out of it!

Mike Law
Indian River
Ont., Canada

I got six million volts of laughter out of it!

Bob Thieling
St. Paul, Minn.

Drucker and De Bartolo made a bionic boo-boo!

Dan Walters
Kentwood, Mi.

I thought of a new exercise for her; skipping rope with jumper cables.

Ted Knapp
Boulder, Colo.

It wasn't worth one Kuboogie!

Tim Davis
Tucson, Ariz.

I read it and blew a fuse!

Mike Bender
Pasadena, Texas

A MAD HISTORY OF MEDICINE

I take exception to your remarks about the A.M.A. and American physicians. Where else but in America can you get the top quality of medical care? It seems you are typical of many who run to a physician when you are ill and malign his profession for a laugh.

Mrs. James Loeffler
Wichita, Kansas

A "MAD History of Medicine" gave me a clean bill of laughs.

Fred Cottrell
Wilmington, Del.

I dispute Larry Siegel's antiquated notion that "medical schools carry on the fine tradition of keeping out minority groups". Today, medical schools strive to attract minority students, and women are also well represented in the medical school classes throughout the nation.

Avery Summer
Saginaw, Mich.

Would knowing your physician read MAD increase or decrease your confidence in him?

Irma Zwan
West Vancouver, B.C.

Larry Siegel's "A MAD History Of Medicine" succeeded at making me ill!

Todd Kermit
San Carlos, Calif.

LATE ONE AFTERNOON LAST JANUARY

That poor dog in Don Martin's "Late One Afternoon Last January". What a way to go!

Tom Pritchard
Ocean Grove, N.J.

Confucius say to Don Martin: Man who walks dog into deep snowbank come home with frozen Pupsicle.

Donna Zwerin
New York, N.Y.

MAD'S CHRISTMAS CAROLS FOR 1976

Frank Jacobs's "MAD's Christmas Carols For The 1976 Holiday Season" were so catchy, I started caroling around the house. My father threatened to take away my MAD subscription and give me voice lessons instead.

Dennis Disberger
Hutchinson, Kan.

While contemplating Frank Jacobs's wondrous "Carols", it dawned on me that I've seen Paul Coker's accompanying art style on many greeting cards in the stores. What sort of Christmas greetings does Mr. Coker send to his friends, may I ask?

Ted Poley
Ramsey, N.J.

Paul Coker's President-Elect Santa,
Christmas 1976.

Frank Jacobs's "Christmas Carols" were so funny, I went door to door singing them. Somehow, they were not appreciated on Thanksgiving Day.

David Furlin
Bloomington, N.Y.

After reading "MAD's Christmas Carols", I got to thinking that Frank Jacobs must be the wittiest poet in the U.S.A. Luckily, I live in Canada!

Russel Dyck
Winnipeg, Man.
Canada

A MAD LOOK AT THE TENNIS SET

Paul Peter Porges's "A MAD Look At The Tennis Set" scored an ace with me.

Eric Wishnie
Clearwater, Fla.

Your "Tennis Set" was a smash. It was volley in-ter-es-ting!

Gordon Andersen
Vancouver, B.C.

RICKARD'S BIONIC DUO COVER

I got quite a shock from Jack Rickard's bionic duo cover. I ought to sue you for assault with batteries!

Emilio Di Simone
Ozone Park, N.Y.

J.R.'s cover for the Bionics was re-VOLtingly funny!

Ray Smith
DeKalb, Ill.

YOUR MONEY BACK!

That's right! If you're not absolutely satisfied with your ready-for-framing (or wrapping fish) full-color portrait of Alfred E. Neuman, MAD's "What-Me-Worry?" kid...tough!! Just console yourself with the fact that you put YOUR MONEY BACK...into circulation! So act now and help the economy! Send 35¢ for 1, 75¢ for 3, \$1.55 for 9, \$3.15 for 27 or \$6.35 for 81 to: MAD, 485 MADison Avenue, N.Y., N.Y. 10022

NO WONDER WE'RE ALL SCREWED UP!

"No Wonder We're All Screwed Up!", by Silverstone and Rickard, is MAD's uncompromising social conscience that shows kids what contradictions and hypocrisies and duplicities they must contend with, even in "the best country in the world!"

Karen Kerns
Denver, Colo.

Maybe our young people *would* get an insight into trust and humanity if our newspapers devoted Page One to the crying need for burn victim treatment centers and relegated the demands and rights of a convicted killer to a more remote section.

Mrs. Regis Lavinneau
Fairbanks, Alaska

Silverstone and Rickard captured it beautifully with their pairings of bewildered little faces and cruel cold press headlines: *Who* to believe? *What* to believe?

Nigel Johnson
South Bend, Ind.

MAD DOUBLE FEATURE

Your "MAD Double Feature" made me barf twice as much as I usually do when I read your movie satires!

Bruce Muni, Jr.
Hazlet, N.J.

After all the "curse words" you used in Patton, The Godfather, and Dog Day Afternoon, it's a #!%&* wonder you had any left for "Bears"!

Charles Bonnen
E. Lansing, Mich.

"The Bad-Mouth Bears" was all hits and no errors!

John Edwards
Belleville, Ont.
Canada

Jack Davis and Stan Hart knocked "The Bad-Mouth Bears" right out of the park!

Julian Flaum
Canoga Park, Calif.

MAD'S MODERN MEDICINE MINI-POSTER

Your "AMA" Mini-Poster was a fairly accurate representation of what unfortunately goes on at hospitals nowadays. In order to be entirely fair, you might have depicted a medical student with money pouring out of a catheter into a bag marked "tuition", as it, like medical costs, is increasing by leaps and bounds annually. Larry Siegel's "History Of Medicine" was also a most entertaining offering. His comment on more people reading the Surgeon General's warning reminded me of the disquieting fact that all of the lecturers in my pulmonary medicine seminars *chain-smoked* all through their talks.

WAYNE ON THE WANE DEPT.

There's a new "John Wayne" movie around in which John Wayne *dies*! Sure, he died in lots of other movies, but in this one, he dies of *bullets* ALONG WITH the *dialogue*! See what we mean in MAD's version of

THE S

Hey ... move out of the way, you tired old son of a @\$%&!!

C'mon, Slob ... knock it off!!

My Mom taught me to have a little respect for tired old sons of @\$%&!'s!

Hey, Mister! Wanna paper? Queen Victoria is dead!

Oh-oh! That's bad news! With my reputation, they'll probably blame it on me!

Well, if it isn't one of my worst enemies ... J. B. Dukes! I should shoot him dead right here, but he DOES look tired! I'll just let him take a nap ... and then maybe I can shoot him in his sleep!

Look who just rode in! J. B. Dukes, the famous shootist! I been after his hide for years, an' now my big chance is getting closer! Yep, my timing is better ... an' his arthritis is worse!

Looks like trouble just rode into town, Sheriff!

I'm not worried! There's an empty cell in the jail! I'll just lock myself inside it!

HOOTIEST

ARTIST: MORT DRUCKER

WRITER: DICK DE BARTOLO

As long as you're staying, I'd like to know your name!

Er . . . my name is **Wong Ling Chow!**

And your business?

I'm a **Chinese Laundryman!**

Well, you sound very honest!

Just chalk it up to my **Oriental inscrutability!**

Do you have room to bed down and feed one more?

Sure! Take any stall! And how about a place for your horse?!

Hey! That horse belongs to **J.B. Dukes, the West's most famous SHOOTIST!!**

How do you know for sure?

You silly fool! **Everybody knows his horse is brown!**

Mom! Do you know who's staying in this very house?!?

Of course! **Wong Ling Chow, the Chinese Laundryman!**

Wong Ling Chow . . . ?!?
It's **J. B. DUKES, the famous GUN-SHOOTIST!!**
Gee, he owes you an apology for lying!

He **ALSO** owes me a sheet and two pillow cases that I gave him to launder!

Mr. Dukes, I want you out of my house!

Oh, come on! I know last night's dinner wasn't **GREAT . . .** but that's ridiculous!

In that case . . . there's only one Christian thing to do! I'll have to change your rent from "**WEEKLY**" to "**HOURLY**"!

I can't go! I'm going to **DIE** here!

You don't understand! I have a **CANCER . . .**!

I knew you were in town, Dukes . . . and I was gonna run you out! Then, I heard about your sickness! So I brought you something to cure it!

Sheriff, nothing can cure a Cancer!

This can . . . but you'll really have to shake it well before you use it! It's a **RATTLESNAKE!**

I'm **Bobkins** from "**The Daily Press**"!

If you're here to sell subscriptions, you better have a special 3-day rate!

No, Mr. Dukes! I'm here to do your life story! I can guarantee it'll hit the **FRONT PAGE!**

Oh, yeah? How can you guarantee that . . . ?!?

Because "**The Daily Press**" is a very small paper! We only **HAVE** a front page!!

Mr. Dukes, I want to do a totally factual account of your life! No lies, no dressings, just the plain, honest, unvarnished truth!

So . . . I'll make it up!

Okay! But now you're never going to see your name in our newspaper!

Do you have an Obituary column?

Yes . . .

Wanna BET?!

I don't have the time to tell it all to you!

Get out!!

Doc . . . I want you to tell me straight out! How bad is it gonna get?

Well, it's gonna hit your spine and hips first! Then . . . your groin! You won't be able to stand up after a while! Your head will start to throb, and your ears will feel like they're exploding off your skull! You'll be screaming out loud a lot in sheer agony! And then the PAIN will start!

Then the pain will START?!? What's all that other stuff?!?

Severe symptoms!

Bland, come with me for a ride in the country!

No! I—I couldn't! I've only been a Widow for a year!

We could look at the trees, and the lakes, and the birds, and flowers—
No! I—I can't!

And we could fool around a little in the bushes . . .!

I'll be ready to leave promptly at 8:00, J. B. . . .!

Some day, I hope to have a little plot of land like that . . .

I'm glad to see you're not thinking about death! That IS a lovely farm down there!

I'm talking about the place across the road! That CEMETERY!!

Now, now, J. B.! By the way . . . exactly what does J. B. stand for?

Jane Belle!

No wonder you're so good at defending yourself!

Mr. Dukes! What is going on in here?!?

One guy came through that window with a knife, and one guy came through that window with a shotgun! They tried to kill Mr. Dukes, but he got them first!

Mr. Dukes . . . when you moved in, I specifically told you, "No entertaining in the rooms!"

Well, your reputation has finally forced my two other tenants to move out! They were afraid that living in the same house with you would give them each a bad name!

C'mon! My reputation can't be THAT bad!!

Wanna bet? One of my tenants was a CARD SHARK and the other was a PROSTITUTE!

Killem . . .
how dare you
try to sell
my horse
without my
consent?!?

I was only trying
to help my Mom!
You're five hours
behind in the
rent, y'know . . . !

In that case, I forgive you!
How would you like me to
give you a shooting lesson?

Great! But you'll have to
use MY GUNS! I sold yours!

Wow! Six bullet holes . . . in
a perfect, straight line!!

That's why they call me "The
World's Greatest Shootist"!!

Then I wonder what
they're gonna call
ME?!? Those are MY
SIX SHOTS!! Yours
all MISSED!!

What do you mean, you want to
charge \$50 to bury me?!? You'll
make ten times that amount from
the people who'll want to see me
dead! No . . . you'll pay ME \$100!

Okay! Okay! Boy, thirty years
in the Undertaking business,
and this is the first time
I've ever had an argument on
price with the CORPSE!!

Gee, Mr. Dukes, thanks a
lot for giving me permission
to sell these locks of hair
that I just trimmed off
your head as SOUVENIRS!

You go right ahead!
I don't mind! It's
just that—well—are
you sure all that
hair is from ME?!?

Killem, I want you to run an
errand for me! I want you to
go find the three men I hate
the most, and tell them to be
at The Silver Nugget Saloon
on Monday morning at 11:00!

Boy,
you're
some
brave
man!

Not really!
Because on
Monday morning
at 11:00, I'll
be at the Golden
Slipper Saloon!

Mr. Dukes, here's
the tombstone you
ordered! I'm real
sorry, but they
forgot to put the
DATE on it!

And they
ALSO
forgot to
put your
NAME
on it!

And they
ALSO
forgot to
SHAPE
it like a
tombstone!

In other
words . . .
you just
brought me
a big, flat
ROCK!!

Hi, Mom!
I—Hey!
What are
you two
doing in
there?!

Now, don't get
the wrong idea,
Killem! I'm just
helping J. B.
out of the tub!

Oh, great! I was
WONDERING when
you two were
gonna get into
something kinky!

I'll have you know
Mr. Dukes is in the
tub **FULLY DRESSED!**

Wow!! That
IS kinky!!

Today's my birth-
day, Bartender ...
so give me a shot
of the best whiskey
in the house!!

Oh, nuts! Don't tell
me I accidentally
walked into the
**SILVER NUGGET
SALOON ... !?**

Hey, Old Man!
Take that ...
and that ...
and that ...

Did you see that?! The
bullets just bounced
off J. B. Dukes! That's
nerves of steel!!

Nerves of steel,
NOTHING! That's
**HARDENING OF
THE ARTERIES!!**

You ... you killed all
three of them, J. B.!!
But I—I don't
understand!
I thought you
wanted them to kill
YOU ... to put you
out of your misery!!

That's right!
That's what
I wanted!
But then,
that ol'
BUG-A-BOO
took over!

What was that ... ?

FORCE OF HABIT!

Lucky for me, the
Bartender snuck
up and shot me
in the back!!

If you
came to
patch
up Mr.
Dukes,
you're
too
late,
Doc!

I didn't come to patch him up!
I came to give him good news!
The lab report arrived from
Dodge City! He doesn't have a
Cancer after all! It was one of
those tiny little mistakes in
diagnosis! What he's got is an
acute case of constipation!

But, Doc ... he's **DEAD!!**

Well, y'know how these
acute cases of
constipation can get
out of hand! Tell him
to take two aspirins,
and call me in the
morning ... !!

Hello, Mary Lou! I'm calling to invite you for a ride on my new boat! And you really can't turn me down! After all, I did name it **AFTER YOU!**

You **DID?! In that case, I'll come!**

Hey, Buddy-boy! You are in big trouble! I mean, how many times can you use the same line? Just a minute ago, I heard you tell Ginny the same thing you told Mary Lou!

"After all, I did name it **AFTER YOU!**"

Man, what are you gonna do when they both get here!?!?

There's no problem, Fella! You haven't seen my new boat yet! Take a look—

Can I help you, Daddy? Huh? Can I help??

Yes, you can! I need a **SCREWDRIVER** very badly!

One screwdriver ... coming up!!

What's taking you so long?!

I've got problems!

I found the **ORANGE JUICE!** But where's the **VODKA?!**

WHAT DID YOU SAY?!? That was a dirty filthy four-letter Anglo-Saxon word you threw at me!!

It ... it just slipped out!

This is a God-fearing, law-abiding home! I don't want to ever hear you use such language again, do you hear?!?

But, Mom! Norman Mailer, Tennessee Williams and Philip Roth use words like that all the time!

I don't care!! In fact, I forbid you to hang around with that gang anymore!!

In order to boost sagging business while cutting costs and increasing profits, a major airline recently offered "No-Frills Service" with ads that looked something like this:

THERE'S NO "PIE-IN-THE-SKY" WITH Irrational Airlines

THERE ISN'T EVEN COFFEE! IN FACT, THERE ISN'T EVEN A MEAL!
JUST THE LOWEST FARES POSSIBLE
WITH OUR **"NO-FRILLS SERVICE"**

You want pie and coffee? Or a meal, maybe? Go to a Diner! We're not in the Restaurant business! We fly you to where you want to go cheaper than anyone else because we charge you only for transportation! F'rinstance, we've got the ugliest Stewardesses (we pay minimum wages!), the flimsiest barf bags (you know how much plastic-lined ones cost?) and reconditioned life preservers (why pay for new equipment when we all know if the plane goes down, there's no getting out!) And all this inferior service SAVES YOU MONEY!

FLY HIGH
PAY LOW...ON

Irrational Airlines

While MAD is the last to praise anything, especially advertising gimmicks, we must say there *is* something to this concept of stripping away the "extras" and just charging for the necessities when offering a service. In fact, here are the kind of ads we'd see ...

IF OTHER BUSINESSES OFFERED "NO-FRILLS" SERVICE

SAVE 40% ON YOUR NEXT SAD OCCASION WITH SHIVERSIDE "NO-FRILLS" FUNERAL.

DON'T BE A "CASKET CASE":

Why blow your hard-earned money, or dip into that inheritance (which God knows you waited long enough for!) on an expensive coffin you'll never see again? Your dear departed is in no position to care about "looks" or "style"! Shiverside lays him to rest in something far less elaborate, but even more durable...one of our ultra heavy duty king-size "Baggie-Byes." It's guaranteed to out-last wood or metal, and we'll give you a choice of twist-ties in four decorator colors.

A "HOME" IS NOT A "HOUSE":

If his own living room was good enough for the deceased when he was alive, it's certainly good enough for him now when he isn't! The funeral services will be conducted by someone who has been certified to have completed at least two years of Sunday School, or who has been Bar Mitzvah'd. A cassette tape of some nice organ music will be played throughout the ceremony at absolutely no extra charge.

A "PLOT" TO SAVE YOU PLENTY

Forget the skyrocketing cost of cemetery plots! Thanks to recent Federal regulations, Shiverside will arrange for a place for your dear departed on United States Government property at absolutely NO COST TO YOU! We merely mail the full "Baggie-Bye" to a non-existent address, include insufficient postage with no return address, and it ends up in the "Dead Letter" office. Talk about rest in peace!

AT SHIVERSIDE...WE BURY THE HIGH COST OF FUNERALS!

WHAT HAS SHARADIN DONE FOR YOU LATELY...? THE "NO FRILLS" HOTEL PLAN! THAT'S WHAT!

QUARTERS MEAN BUCKS

Each "No-Frills" room has two closets. One is your bedroom. The other is your neighbor's bedroom. Frills like desks and bathrooms have been done away with. Our exclusive giant towel-roll eliminates expensive pilferage.

VIEW WITH ECONOMY

Each "No-Frills" room has a TV set. No tube—just a set placed over a hole in your neighbor's wall so you can sit up and watch them in a real-life situation comedy. And if you're lucky, you may be able to catch an "X-rated" show.

SAVE WITH STEPS

Smart travelers agree that elevators are dumb because they only go up and down. For real economy, we offer our "Self Service Stairs". Climb your way to savings. Cripples are hauled up on our unused window-washer's scaffold.

CASH IN ON CARRY

There's no tipping because there's no one to tip. No doormen, no bellhops, no waiters, no maids. Besides, carrying your own luggage is really good exercise. Just take it easy! "No-Frills" also means "No House Doctors"!

YOU CAN'T BEAT THE LOW LOW "SALE" PRICES ON... CONARD'S "NO-FRILLS" CRUISES

WHO really pays for a Ship Captain's \$75,000 annual salary? You do! So we've cut down on needless expenses like Captains, and instituted Conard's "No-Frills Passenger Participation Plan." Under Conard's "N.F.F.P.P.", passengers take turns running the ship. It's easy and it's fun! All you have to remember is "Port" is "left"—"Starboard" is "right" . . . or is it the other way around . . . ??

WHERE should you go—where everyone else goes? The more popular the port, the less popular the price! From Argentina to Angola . . . from Lebanon to Portugal . . . there are always exotic places where political unrest and rioting are dragging prices way, way, down. And that's where Conard will be sailing to! You'll get to understand the lives of the natives while trying to keep your own!

WHY bring the unnecessary luxuries of land to the high seas? You can be pampered every day of the year in hotels and restaurants. We save you money by eliminating "Table Service." Instead, our "No-Frills American Plan" offers Buffet-Style meals to passengers and crew at the same time. Get the feel of the "Bounding Main" as you battle for food morsels with our hunger-crazed Moroccan crews.

CONARD

THE ONLY WORLD WAR II TROOPSHIP FLEET AFLOAT
"Getting Half-Way There Can Be Almost As Much Fun!"

NOW YOU CAN FIGHT THE SPIRALING COSTS OF MEDICAL CARE WITH OUR NO-FRILLS SURGICAL PLAN

WE ELIMINATE UNNECESSARY EXTRAS... LIKE ANESTHESIA

By eliminating such unnecessary extras as anesthesia, our "No Frills Surgical Plan" lets you really experience your operation while permitting you to keep an eye on your Surgeon so he doesn't remove something he's not supposed to!

HOSPITAL ROOM EXPENSES ARE SLASHED, SLASHED, SLASHED

After your operation, we don't baby you with a hospital bed. You bring a bridge chair from home, and we set it up where you're comfortable—without paying for a private or semi-private room—like out in the hall corridor where the "action" is.

WE CUT DOWN THE HIGH COST OF UNEATEN HOSPITAL FOOD

Yes, we know how awful hospital food can be! So why pay for it if you don't eat it? With "No Frills," you pay only for the food on the tray you eat. The rest is returned to the kitchen, and it is re-served to you for your next meal.

If there's one thing that Television has done to death, it's those idiotic "Celebrity Roasts." The problem is that over the past years, there have been so many "Celebrity

TESTIMONIAL FOR ORDI

ROAST OF ALVIN TEPPER, INSURANCE ADJUSTOR, FROM

Ladies and Germs, for years we people in Show Biz have had a tradition of roasting only people we like! Well, tonight, we break that tradition!

Tonight, we are here to honor Alvin Tepper, Insurance Adjustor! That's gonna be about as much fun as watching the Walton Family sort gooseberries!

Alvin is not the brightest guy in the world! He still sits home Tuesday nights in front of his 12-inch Dumont TV set . . . waiting for my show, "The Texaco Star Theater," to come on!

Alvin calls himself an "Insurance Adjustor"! Take a look at the way he dresses! This man can't even adjust his own pants!!

As an Insurance Adjustor, Alvin heard the statistic that most auto accidents occur within twenty miles of the victims' own homes! Which is why Alvin hasn't been back to his in years!

ARTIST: BOB JONES

Alvin Tepper is a nice guy, but he's crude and unsophisticated! When I met him in the bar, he was using "Right Guard" as a cocktail mix!

His idea of a fancy seven-course dinner is a hamburger and a six-pack!

This man has the warmest heart in Perth Amboy! You would too, if you drank Gulf No-Nox!

As an Insurance Adjustor, Alvin's philosophy is, "If you drink, don't drive . . . 'cause there's no room to put a highball glass on the dashboard!"

There have been many exciting nights in my career! This . . . is NOT one of them!

It's hard for me to praise a man who once had a part-time job as a Lifeguard at a water bed!

A man who once sent his wife on a luxury cruise . . . through The Bermuda Triangle!

Let me just say to the people in Perth Amboy who want to know the secret of Alvin's success . . . there IS NO secret . . . because Alvin is NO SUCCESS!!

Roasts" that they're running out of *celebrities to roast!* Like, you know . . . Those shows are in trouble when they start roasting people like Peter Lupis and Abbe Lane. They'd be much better off roasting ordinary, unknown people with non-glamorous jobs! In fact, here's what it would be like if they had

ROASTS NARY PEOPLE

PERTH AMBOY, N.J.

I met Alvin Tepper tonight for the first time, but I formed an immediate impression! What can you say about a man who not only wears a clip-on bow-tie, but a clip-on suit?!

Alvin thinks an intellectual is anyone who understands a Clint Eastwood movie!

Alvin is supposed to be a respected businessman, but he's made some rather strange investments! In the past few years, he's bought shares in a Lettuce Mine, a chain of Kentucky Fried Chow Mein Stands, and a Talcum Powder Farm!

Do you know what a thrill it is for me to be here tonight? I needed this dinner like Vincent Van Gogh needed ear muffs!

When he was young, Alvin's family **MOVED** a great deal! But they would never tell Alvin!

Then the **Sexual Revolution** came along . . . and do you know where Alvin ended up? On the **Casualty List!**

WRITER: ARNIE KOGEN

Alvin here is about as much fun as an exploding bed pan!

Yes, Alvin . . . I kid you! And **WHY** do I kid you? Because I **DON'T LIKE YOU!**

What's your **Nationality**, Alvin? What's your **Heritage**? Try to read my lips! I'll talk slow! What—is—your—Her—it—age? Let me guess! You're **POLISH!**

No . . . Hungarian!

Oh! Like that's **BETTER?!?**

I kid the Hungarians, but it's really a fun country! To make you feel at home, a little later on, we'll hold up some wolfbane . . . and drive a stake through your heart!

Alvin, we're all here to honor you! So I'd just like to say, from the bottom of my heart . . . **DON'T EVER TRY TO HANG AROUND ME!!**

Oh . . . I forgot! They want me to say that a tree has been planted in your name . . . outside Budapest! Your day to water it is **THURSDAY!**

NUTS TO PEOPLE ROAST-I PREFER THEM RAW!

ROAST OF DR. MELVIN W. OGELTHORPE, PHYSICIAN, FROM MU

We are here tonight to honor a distinguished, dedicated member of the Medical Profession! Unfortunately . . . we couldn't FIND one . . . so we're stuck with Melvin Ogelthorpe!

Melvin had all the makings of a Doctor at an early age! He only attended school four days a week . . . and took off every Wednesday to play Miniature Golf!

Over the years, he treated thousands of patients in this community! It's a shame that not one of them is alive today to pay tribute to him!

I wouldn't say Melvin is a clumsy Doctor, but vultures constantly make lazy circles over his office!

I don't know what kind of Surgeon Dr. Ogelthorpe is, but while he was cutting his meat, his knife slipped three times!

And that was with his Nurse helping him eat!!

Melvin is the only Doctor I know who specializes in "Side Effects"!!

ROAST OF MRS. ELMIRA BITTLE, HOUSEWIFE, FROM VICKSBURG

Y'know how—at roasts—we always MAKE UP insulting things about the Guest of Honor?! Well . . . tonight, we don't have to make up a THING!

Because tonight we are honoring Mrs. Elmira Bittle, the Candice Bergen of the Geritol set!

I wouldn't say Elmira is FAT . . . but I took one look at her and ordered a "DOUBLE!"

But she's patriotic! Once, to honor the Bicentennial, she wore a red, white and blue outfit! When she yawned, people started mailing LETTERS down her mouth!

Seeing Elmira here tonight reminds me of the old adage, "A Woman's Place Is In The Stove!"

Before she became a Housewife, she worked in a Hospital—posing as a MALE NURSE!

I don't know why I kid Elmira like this! She doesn't know me from Adam! Er—he was ALSO famous for running around in the nude!

ROAST OF WALTER ZWILLMAN, HARDWARE STORE MANAGER, FROM MU

We're here tonight to honor Walter Zwillman! This is the SECOND biggest thrill of my life! My FIRST was getting undressed . . . and then running full speed into a CACTUS!

As a child, Walt wasn't sure what he wanted to do. He made up his mind after he graduated "The Yale School For The Uncertain!"

Walter is now a respected member of his profession! He is to Hardware what Cher is to marital instability . . . and Abe Beame is to height!

Walt isn't the most stimulating guy in the world! In fact, whenever there's a dull party in town, they immediately call Walter over . . . and he blends right in!

Thanks, Johnny, for getting us off to a flying STOP!

But I know what you mean about Walter Zwillman being dull! They say he has all the excitement of a torn pocket!

That's because Walter had a very difficult childhood! He came up from nothing . . . and brought it with him!

NCIE, INDIANA

Melvin is an accomplished Surgeon! I once saw him remove a lump from a man's side! It was his wallet!

And he's really very considerate! if you can't afford the operation, he touches up the X-Rays!

I went to him with a sore foot! He said, "I'll have you walking in an hour!" And he did! He stole my CAR!

But he stays in shape! He's a 50-year-old man with the body of a 20-year-old! He's keeping her in an apartment!

Once, I had the misfortune of actually being one of Melvin Ogelthorpe's patients! He gave me a kidney transplant from a BED WETTER!

Then he started treating me with Acupuncture! One night I was in a lot of pain, so I called him up! He told me, "Take two needles and call me in the morning!"

All kidding aside, it must be great to be a Doctor! In what other job can you ask a girl to take her clothes off, look her over, then send a bill to her Husband?!

RG, MISSISSIPPI

I don't know why they kid you about your appearance, Elmira! I happen to know that you made the list of the Ten Best Dressed Women—of Mississippi! You were the first 9!

Elmira is the only woman I know who wears a form-fitting PONCHO!

But I understand that Elmira's an incredible cook! You've heard of people who can't boil water! Well, Elmira CAN! She calls it SOUP!

Don't let them say you're fat, Elmira! You're just TOO SHORT! According to the charts, for your weight, you should be 12 feet, 4 inches tall!

Elmira went on the Water Diet! Most people lose ten pounds! She gained seventeen gallons!

Every night, she had to sleep in "Pampers!" And she slept in a Water Bed! Not intentionally—it just came out that way!

But I loved doing this testimonial for you... because next to you, I look like Ali MacGraw!

FROM POTTSVILLE, PA.

I thought that I don't get no respect! Then, I met Walter Zwillman! Now I feel really fantastic!

What can you say about a guy who still wears Nehru jackets!

He's the only guy I know who failed "FIRE DRILL" in school!

Walter's idea of an exciting evening is to go down to the Supermarket and fool with the electric doors!

I'm MRS. Walter Zwillman, and I've been asked to say a few words about my Husband! How's about "cheap"... or "boring"...?!

Walter dull? Let me put it this way: I collected his Life Insurance three times!

But Walter has worked hard all his life! He was no overnight success... as I discovered on our Honeymoon!

So what say? Let's all give Walter what he deserves! A "CROUCHING OVATION!"

THE OIL IMPORTERS OF AMERICA Energy Conservation Committee

Winter Meeting

- A. The minutes of the previous meeting were thrown into the waste basket and burned, thus allowing news photographers to take pictures that show how eager we are to find alternate sources of energy to heat our Conference Room.
- B. The news photographers were led out, and the thermostat in the Conference Room was turned back up to 78.
- C. Mr. Tidwell of Eastern Utilities proposed that we hand Israel over to the Arabs as a gesture to indicate that we want to be nice.
- D. Mr. Tidwell was criticized for failing to lower his voice when he offers barbaric suggestions that we'll later want to deny endorsing.
- E. Mr. Spielrite of Pan-Sand Dune Oil laughed off rumors that gasoline may hit \$1 a gallon by next fall. He said it will have to hit \$1 a lot sooner than that if his company is to double its profits again this year.
- F. Mr. Cosgrove of Geological Projection Systems reminded the Committee that we still haven't proposed a comprehensive energy program, even though the nation is now down to a 12½-year supply of proven oil reserves.
- G. The Committee cheered Mr. Cosgrove's statement, since this puts our oil reserves at six whole months more than previously estimated.
- H. The meeting was adjourned, and the thermostat was turned back down to 65 for the benefit of the press.

BROTHERHOOD OF INDUSTRIAL DRUDGES LOCAL No. 1239

Being as how the Brotherhood makes all its big decisions by a democratic vote, the Executive Council first voted democratically to exclude the general membership from this meeting and all future ones. The Treasurer announced that we turned a neat \$3,000,000 profit by docking the members \$3,000,000 for somewhat voluntary contributions to the Strike Fund, just before we sold out to Management and canceled the strike. A motion was passed to spend this surplus on recruiting new members, such as Congressmen who might join the Brotherhood if our offer is high enough.

A final count of ballots from last month's voting showed that all Executive Council members got re-elected, 14,267-to-0. It was decided to announce this figure as 14,265-to-2, so people won't think there might have been some shenanigans in the vote count. The meeting got adjourned nine minutes after it began, on account of some of the guys still had to go shopping for beach wear to take with them to the national convention in Miami.

CYCLOPS TV & ELECTRONICS CORP. Service Representatives' Emergency Meeting

- 1A. Board Chairman Meriweather opened the discussion by pointing out that 97% of all Cyclops TV sets sold this year have been found defective while still under warranty. He urged service reps to act more surly, in the hope of discouraging buyers from bringing back the shoddy junk we sold them.
- 1B. Mr. Bertram of the Chicago office suggested that it might also help if future warranties stated in fine print that defective sets must be returned in person to our Main Service Center at Nome, Alaska.
- 1C. Mr. Solotkin of the Corporate Spying Dept. said that some competitors have cut down on unprofitable warranty work by requiring customers to state their complaints in writing, without misspelling any words.
- 1D. Mr. Mosely of Quality Control suggested that we reduce the number of defective sets we make by eliminating those cheap plastic parts that don't fit together properly.
- 2A. Mr. Mosely was fired on the spot, while the proposals of Mr. Bertram and Mr. Solotkin were taken under serious advisement.

COUNCIL OF TV NETWORK DECISION MAKERS

The March meeting began at 7:15 P.M., to allow ample time for completion of business before the good Sex and Violence programs come on at 9 o'clock.

Best wishes were extended to ABC on its Third Season, launched in February to replace all the Second Season clinkers that went on in January to replace the flops that went on last September.

The Industry Committee for Better Programming offered the following recommendations: (1) Upgrade "The \$25,000 Pyramid" by making it "The \$30,000 Pyramid;" (2) Stop confusing the audience by televising a ball game at the same time Curt Gowdy is doing his weekly reminiscence of his boyhood in Wyoming, and (3) Put Sher's revealing costumes on someone who has more to reveal.

These proposals were all rejected after our accountants stated that network profits are too good to risk horsing around making needless changes.

A motion to begin summer re-runs next season immediately after the Christmas Specials was referred to a sub-committee for study. The sub-committee was instructed never to report back, as this might require the full Council to make a decision about something.

A motion to adjourn was approved, on the assumption that its passage probably wouldn't offend anybody.

B.I.G. M.A.M.A.

(Board of Innovative Guidance,
Midwest Auto Manufacturers' Association)

The April meeting was held in the Intensive Care Unit of the Little Sisters of Detroit Hospital at the request of Board President Frobisher, who was recuperating there following a highly unusual brake failure on his 1976 Wild-fire Mark XIV Grand de Ville sedan.

Members discussed the frequency of such highly unusual mishaps on 1976 American-made cars, and then voted unanimously to provide themselves with Mercedes limousines as a safety precaution.

The Chairman of the Sales Committee suggested that the advertising theme for the 1977 model year be "The greatest new design of the decade," referring, of course, to the Association's great new design for bilking the public out of millions with an across-the-board 28% price increase.

The Committee on Future Development reported that the rotary engine continues to show promise for 1979. It still gets only ten miles to the gallon, but this disadvantage is more than offset by recent indications that a rotary engine powered car can be sold for \$2,000 more than current models.

The meeting was adjourned at 9:35 P.M. in memory of Board President Frobisher, who was pronounced dead after a mention of Ralph Nader's name failed to make him scream in outrage.

RETAIL GROCERS' ASSOCIATION

Price Fixing Conference

The regular weekly meeting to discuss Thursday's newspaper ads was opened by Chairman Hofstedt of Cornucopia Markets, who reminded the group that it was his company's turn to feature a special on 5 lb. bags of sugar, while quietly jacking up the price of coffee and fresh corn.

Delegate Furbler of Dandy Discount Stores interrupted to accuse Cornucopia of violating the Association charter last week by offering both hamburger buns and watermelon at lower prices than competing chains. Furbler charged that such widespread price cutting might soon enable consumers to do all their shopping at one store without getting swindled.

Chairman Hofstedt denied this charge, pointing out that the special on hamburger buns was merely a trap designed to sell more onions and ketchup at new higher prices. Also, he claimed that Cornucopia didn't even stock any of the watermelon it advertised on sale.

Delegate Pringle of Barney's Bargain Mart received permission to cut Grade A eggs by 4c a dozen, with the understanding that bacon be increased by 15c a pound.

After exchanging proposed ad copy, the delegates adjourned for lunch to Vito's Steak House, which features the type of prime sirloin you just can't find in the markets anymore.

**THE FOUR SEASONS IMPORTING CO.
OF LONG ISLAND CITY**

(Formerly the Four Ruling Families
of Palermo, Sicily)

Don Luigi called the business associates and foot soldiers to order at 2:35 P.M. by banging his gavel. It was noted by all that he didn't even bang it on anybody's knee caps, which may mean he's getting too old and soft to manage the organization. Anyhow, out of respect to Don Luigi, the other gentlemen shut up their faces and listened. Don Luigi recited the 1975 fiscal report from memory, on account of that's the only safe place to put it. He said the net take from the importing business had been either 40-billion or 14-billion. He forgets which, and nobody pressed him to remember better.

Don Luigi said the 1975 profits had been used to take control of General Motors, A.T. & T., Union Carbide and Gulf Oil. He said that if things go as good in '76, we may be able to buy a franchise in the National Football League.

Don Luigi then said there was no other business to discuss, so we naturally did not discuss any.

**CENTRAL INTELLIGENCE AGENCY
WEEKLY BRIEFING SESSION**

16 February 1976

138.1 - Agent Blue Fox (Eddie Schwartz) brought the guys up to date on the situation in Yemen. He said the Prime Minister there refused to break diplomatic relations with the Com-mies, even after receiving our generous payment. Therefore, Blue Fox will shoot the Prime Minister at 2:30 P.M. next Thursday.

138.2 - Agent Wart Hog 5 (Frank Coslow) suggested that the cash squandered in Yemen be stolen back, and re-distributed to the loonies who are rebelling in Paraguay. Agent Blue Fox nixed this idea on the grounds that stealing our money back might cause our friends in Yemen to distrust us.

138.3 - The Director read coded cables from agents in Cuba, Syria and Albania, all stating that sabotage work is progressing satisfactorily. He also read a post card from our agent in Tahiti, stating that he is having a wonderful time on his vacation, and wishes we could all be there.

138.4 - The session was adjourned at 9:15, and everyone left by the back door.

A SUPER OPPORTUNITY

With women making enormous strides toward freedom in recent years, everyone seems to have gotten on the bandwagon, including Television. However, one thing puzzles us: If they must give us all of those "Female-Oriented Situation Comedies," why does TV insist upon making their women characters so damn obnoxious? Take Maude, f'rinstance! Or Rhoda! Or, if you've got an exceptionally strong stomach, Phyllis! And now, the King of the Sit-Coms, Norman Lear, has given us not one, but THREE nauseating females to swallow in one gulp. Namely, a Divorcee and her two daughters. We don't know about you, but we can't digest them all at once. In fact, we can't even take them...

ONE DAME AT A TIME

Gee... it's time for breakfast! I wonder what's keeping Mom?! Shouldn't she be coming out?!!

Coming out?!? You know that Mom doesn't just **COME OUT!** She makes an **ENTRANCE!!** She whirls... she dances... she throws her body in all directions! And she makes those incredibly cute faces! You call that "coming out"?! Bite your tongue!!

I just did, and it didn't taste half-bad! I'm starving!

Oh-oh! Brace yourself! Here she is now...

Hi, girls! Here's your peppy, bubbly, breezy Mom... moving every part of her face and body in an endless number of adorable twitches! Gee, I'm so appealing... can't you just eat me up alive?!!

I'll think about it—as soon as I finish my tongue!!

ARTIST: ANGELO TORRES

WRITER: LARRY SIEGEL

Wow! Look!! She's moving parts of her face that **NEVER MOVED** before! Fantastic!

It's her "schtick"! All the stars on situation comedies have a schtick! Archie does "Bigot"... Maude does "Loud"... J.J. does "Cute"... and Mom does "PERKY"!

Even if this show dies, she has it made! I hear Jerry Lewis promised to raise a bundle for her on a special "Telethon" he's doing next Fall... for **HEALTHY** people with **MUSCULAR PROBLEMS!!**

Gee, Mom— isn't there any way to get you to **STOP MOVING AROUND?!?**

A year ago, the show's Director put me into a **STRAIT JACKET** for a few weeks, and zipped it up over my mouth!

Where's the jacket now?

In the closet... **STILL TWITCHING!!**

But enough about me! **Bobka**, what's your typical, relevant sitcom-type problem this week? Wait! Let me guess! You tried pot! Even better! You skipped pot and went to heroin! You can level with me! Remember, I want to help you! I love you! You mean more to me than life!

Okay! My problem is: I don't have anything to wear! None of my jeans have holes in them, and all the kids will laugh me out of school!

YOU DIRTY ROTTEN KID! YOU'RE NOT MY DAUGHTER! YOU'RE ONE OF THE BRADY BUNCH!

You call **THAT** a problem for a growing girl on a post-Family Hour show?! Tonight, I'm going to lock you in the hall closet . . . and make you stay in there until you can come up with something **REALLY GOOD!!**

The **HALL CLOSET!!?** Mom, if you lock me in there with all your sick **PORNO MAGAZINES**, there's no telling **WHAT** terrible things'll happen to me!!

Well that's a **START!**

Ghoulie, your sister really disappointed me! I hope you can make up for it! So tell me . . . what's new with you, and it better be something **REALLY GOOD!!**

Mom, you remember **Herbie**, who took me to the Prom a few months ago, and we stayed out almost all night?! Well . . . I'm expecting—

Thank God! You're **PREGNANT!!**

Let me finish! I'm expecting him over tonight to watch "**Little House On The Prairie**". . .

"**Little House On The Prairie**"?!?

Yecch! What you said! Where did you get such a clean mouth all of a sudden?!?

One of the kids smuggled a **Donny and Marie** record into Amy's "**Sweet Sixteen Party**"!

Ahah! That explains it!

I've noticed that you girls have been acting mighty strange lately! You're just not yourselves these days! Now, what's bothering you?

Okay . . . you wanna know what's bugging us? I'll tell you! It's this apartment! We have no privacy! We can't breathe! There just isn't enough room in here for the four of us!

What do you mean, **FOUR** of us?!? You're one . . . I'm two . . . **Bobka** is three . . . **WHO'S FOUR??**

FORE!!

CLUNK

Why, it's . . . *chuckle, chuckle* . . . **Drain Sniper**, our swinging, sex-starved **Building Super**, who always shows up out of nowhere and has complete run of our home and our lives! Drain, you silly goose . . . *chuckle, chuckle*! What's the idea of practicing your golf swing in my apartment?!?

Stop complaining! Just be thankful my **POLO PONY** is sick!!

Tell me . . . you love-able nut of a Super, how did you get into our apartment today? The door was bolted from the **INSIDE**!

It wasn't easy! I came down the chimney!

But . . . we don't **HAVE** a chimney!

See? I **TOLD** you it wasn't easy!

Now that you're here, what do you want to do?

What **EVERY** Super does with his tenants!

Let's dance!

Mom, between you and me, what do you see in that turkey?

It's nothing serious! He's just after my body! But he's not getting it!

If you'd stop moving it just **ONCE** . . . I might!

What a pair! **Perky** and **Turkey**!

You gotta get that letch out of here! He's driving us nuts!

I think you're over-reacting!

Over-reacting? In the past month alone, he's come through our **door**, our **window**, our **wall**! And he's so **WEIRD**! The other day, I saw him in a wet-suit with fins and a tank!

So he likes to go **SCUBA DIVING**!

In Indianapolis?

In our bath-tub???

While you're in it???

The problem is, you encourage him, Mom! Whatever you do . . . **don't say anything** when he's around that might lead him on! Understand? Anything!

I think you're being ridiculous, but okay! And if it'll make you feel any better, I'll tell him to get out and stay out! Now, how does **THAT** grab you?!

Did someone say "grab you"?

You're leading him on again!!

I see what you mean!

Stop it, Drain! Do you hear? Enough is enough!

Okay! Gee, I'm sorry!

I want you to leave me alone! Is that clear?

Sure!

I realize that you act silly at times, but I know that deep down, you're really a mature, grown-up person who can listen to reason! Am I right, Drain . . . ?

Absolutely! And I want to apologize for any embarrassment I may have caused you!

That's perfectly all right! I can understand! Now, take me for example . . .

I'd love to!

Whoops!!

You did it again!

Out! OUT!!
And stay out!
FOREVER!!

What a relief it would
be not to have HIM
under our feet any more!

Yeah! Why can't we have
rats and roaches instead,
... like OTHER tenants?!

Mom, it's been two weeks
and he's still driving
us bananas! You realize
there's a **CRAZY MAN**
practically living with
us in this crazy house???

I've tried **everything**, but he
still keeps coming out of the
woodwork! I'm at the end of
my rope! Girls! I'm afraid
there's only **one thing** to do!

No, Mom ...
you **CAN'T**
kill him!!

Yes you can!
Yes you can!!

Girls! I've made up
my mind! I'm going
to **MARRY HIM**!!

Oh, my God! Now ...
TWO flew over the
cuckoo's nest!

MARRY HIM???
Mom, that is
total idiocy!
Why?? Tell
me **WHY??**!

Don't ask questions! Just
trust me! Of course, I don't
even know if Drain **WANTS** to
marry me! And I really don't
know how to **ASK** him ...!

Don't worry, Mom!
Somehow, I've got
a sneaky feeling
he already got
your message!

What did you have in mind ...? A catered affair ... or
something intimate for just the immediate family ...?

I knew it! I knew it!

Oh, Drain!

Oh, baby!

Oh, God!!

Awww, look ...!
How nice! He's
carrying her
across the
threshold!

Isn't that
a warm,
familiar
sight!

Yeah ...!
It's the
same way he
carries out
the garbage!

And that's usually what happens
to the garbage, too!!

Where is
he, Mom?
What
happened?

It worked! It
worked! Didn't
I tell you to
trust me?!!

What are
you
talking
about?!!

Girls, you've just learned a valuable lesson!
Don't ever forget it! Namely—there is only
ONE WAY to get rid of a sex-starved leech
and have him out of your life forever ...

And what way is that, Mom?

MARRY HIM!!
